Flowers Gallery is pleased to present the 42nd edition of the annual *Small is Beautiful* exhibition.

Established in 1974 at Flowers Gallery, *Small is Beautiful* invites selected contemporary artists from various disciplines to showcase works with a fixed economy of scale, each piece measuring no more than 7 x 9 inches. In keeping with this tradition, the 42nd edition of the exhibition will feature over 100 artists, continuing to offer a unique opportunity to acquire smaller-scale works from internationally acclaimed artists, as well as to discover and explore emerging talents.

Maggi Hambling, *Wave & Rising Moon*, 2024, Oil on board, 7.5 x 12.5 cm
